Description

Engraved Crystal Decanter with Stylized Decoration - Napoleon III Period. This elegant clear crystal decanter is richly wheel-engraved with a stylized decoration of scrolls, foliage, and architectural motifs, typical of the decorative taste of the second half of the 19th century. The faceted body is finely adorned with engraved reserves, highlighting the transparency and quality of the crystal. The decanter retains its original stopper, also cut and engraved, and is mounted in a solid silver setting bearing the Minerva hallmark, first standard (950/1000), guaranteeing high-quality French craftsmanship. Period: Napoleon III, second half of the 19th century. Condition: Very good overall condition. However, there are very slight chips on the stopper and on the base of the decanter, discreet
