

## Early 17th Century Bronze Cauldron

480 EUR

Period : 17th century

Condition : Bon état

Material : Bronze

Diameter : 23 cm

Height : 19 cm

Description
-------------

Beautiful bronze cauldron, a piece of 17th-century folk art. With its simple design, this bronze cauldron features two handles and a flared neck. There is an old repair to the base, and it has a superb patina. A quality piece in good condition, simple and elegant.
