### Description

Painted by Ramon Trulls Pons, this oil on canvas depicts an impressionist rural scene showing a Catalan village and peasants harvesting lavender in the surrounding fields. The composition leads the eye from the cultivated foreground toward a compact cluster of village buildings set against distant hills and a broad sky. Cool blues, violets, and muted greens dominate the palette, balanced by warmer earth tones in the architecture and land. Loose, visible brushwork emphasizes light, atmosphere, and color relationships rather than fine detail. The small figures are rendered schematically, clearly indicating agricultural labor and providing scale. The work aligns with mid-20th-century Spanish impressionist landscape painting, focused on rural life and atmospheric observation. Artist Ramon
