### Description

Infantry Grenadier's Bearskin Cap. French Revolution. Late 18th Century. The body is made of natural leather covered with bearskin, featuring a revolutionary tricolor cockade on the left side, trimmed in passementerie. The center is white, then alternately blue, white, and scarlet. The brass plate is embossed with a raised molding and bears a flaming bomb in the center. The interior lining consists of a calfskin band cut to a point.

Dimensions: 34 cm high above the leather, 20 cm wide from leather to leather, and 18 cm deep.

France. Old Regime / French Revolution.
