Description

A lovely little ink drawing depicting an old, bearded man wearing a soft hat. The face could be that of a painter. Perhaps a self-portrait? This drawing is signed, but unfortunately, with time and exposure to light, the signature has faded considerably. However, one can still make out the first letter of the first name, E, and perhaps a P for the first letter of the last name. This drawing is framed in a beautiful 19th-century molding.
