

Moonlight At The Mill - 19th Century Oil On Panel

450 EUR

Period : 19th century

Condition : Très bon état

Material : Oil painting on wood

Description

Oil on panel depicting a nightscape enlivened by a windmill, in the style of the 19th-century Dutch masters. At the center of the composition, a windmill stands out against a darkened sky, pierced by a diffuse moonlight. In the foreground, a riverbank features a figure walking along a canal lined with boats and rural buildings. The work displays a thick impasto, particularly visible in the illuminated areas of the foreground and sky, giving the paint a vibrancy reminiscent of Jongkind's brushwork. Dimensions: -- Unframed: 32.6 × 23.5 cm -- Framed: 54.5 × 47 cm. The giltwood frame, decorated with gadroons and acanthus leaves, is of fine workmanship and of a recent period.
