

Lignum Vitae: Giant Mortar Pestle Pharmacy, France, 18th Century

240 EUR

Signature : Travail de Port

Period : 18th century

Condition : Bon état

Material : Solid wood

Length : 45cm

Diameter : 8cm

Description

A beautiful, heavy, and large object: a double pestle, rare American wood: turned lignum vitae, of remarkable size, fine workmanship, beautiful grain, and a lovely patina. Beautifully turned, in fairly good condition, centre is slightly curved. The advantage of double pestle is that it could grind two components before mixing... Please examine our photos carefully... No flaws, some signs of use and natural veins. Dimensions: 45cm x 8cm. Weight: 1.8kg. Available for immediate purchase, payable by credit card or PayPal. - eclectic - We are not experts, but have been in the business for over 50 years. Hassle-free refund in case of disappointment. Siret: FR 24.430113233. Invoice and Certificate are included with each shipment.
