Description

Handmade antique Ersari rug, Afghanistan. The Ersari rug is a magnificent example of Afghanistan's rich textile heritage. Handcrafted by skilled artisans using time-honored techniques, it is woven from natural wool and dyed with traditional colors. Each rug features the distinctive geometric patterns of the Ersari tribe, symbolizing their history, identity, and daily life. Each piece is unique, making every Ersari rug a work of art in its own right, bringing warmth, character, and timeless beauty to any space.
