Description

Giovanni Michelucci for Lariolux, brass lamp, 1940s This magnificent desk lamp was designed by Italian architect Giovanni Michelucci. It was manufactured in the 1940s by Lariolux. It has a round, weighted base and two ball joints that allow the lamp to be adjusted at two points: near the base and at the top, just below the lampshade. This lamp is an excellent example of industrial design. It is in good vintage condition. Dimensions: H 43 x W 30 cm.
