### Description

Magnificent bronze sculpture signed "G. Parente", executed using the lost-wax casting technique and presented on an elegant marble base. Measuring 47 cm in height, 43 cm in width, and 35 cm in depth, the work stands out for its vigorous modeling and a rich, dark patina of great visual impact.

The artist Gabriele Parente (Naples, 1875-1899) is known for his high-quality bronze works, characterized by a harmonious balance between realism and idealism, and by particular attention to the human figure and emotional expression. His signed sculptures regularly appear in art catalogues and auction sales, with comparable works recorded on the European specialist market.

The bronze is in excellent overall condition, with
