

Coffee Table Attributed To Raymond Subes

1 100 EUR

Period : 20th century

Condition : Parfait état

Material : Wrought iron

Description

A 1940s coffee table attributed to Raymond Subes, an artist specializing in wrought ironwork in Paris. The details of the base are exquisite. The scrolls and curves are carefully designed and give this small piece of furniture its distinctive character. The eggshell-colored marble is veined. A must-have for collectors.
