Description

DescriptionThis matched pair of oil paintings depicts two European locations rendered in a consistent, impressionist-influenced style. One painting shows a Mediterranean architectural and harbor scene identified on the reverse as Positano, Italia, featuring clustered buildings, boats, and coastal light. The companion work depicts a garden and monastery view inscribed Valldemossa, Mallorca, framed by trees and formal landscaping. Both works are painted with loose, confident brushwork and a bright palette of blues, whites, and greens, with architectural forms defined through light and shadow rather than detail. Each painting is signed on the front, though the artist has not been securely identified. .ArtistSigned, artist presently unknown.Artist DetailsThe paintings reflect mid-20th-century
