Small Animated Mountain Landscape From The 19th Century

380 EUR

Signature : École française

Period : 19th century

Condition : Très bon état

Width : 15 cm, avec le cadre 20 cm

Height : 21 cm, avec le cadre 27 cm

Description

A pleasant mountain landscape with cows crossing a stream on a wooden bridge in the middle ground. On the path leading to the bridge, a woman can be seen leading a fifth cow towards it. And in the background, the majestic mountain. On the back of the wooden panel, the date of the painting, 1874, and the name "George," probably the painter's name, can be deciphered. The gilded wooden frame is in good condition.
