### Description

Art Nouveau Bronze Desk Lamp, Circa 1900. This elegant Art Nouveau desk lamp, crafted entirely from bronze, dates from the early 20th century. It features a finely sculpted female figure in a graceful pose, leaning on a stylized floral stem. The base is richly decorated with organic plant motifs, characteristic of the Art Nouveau style. The lamp is distinguished by the quality of the casting, the fine details, and a beautiful antique patina with warm undertones. The sinuous upper arm extends the composition with elegance and balance. The lamp has a working electrical connection (old wiring). Bulb not included. Height: 36 cm (without bulb). A beautiful decorative and collectible object, typical of Art Nouveau production, ideal for an office or a refined interior.
