850 EUR

Period : 20th century

Condition : Bon état

Material : Wrought iron

Width : 75

Height : 101

Depth : 77

### Description

Chair with white painted iron structure, produced by an Italian manufacturer and dating from the 1970s. The structure is made of tubular metal and features integrated armrests. The base consists of shaped legs with decorative curved elements, giving the piece a formal character typical of the design language of the period. The backrest is foldable and designed to be lowered towards the seat, allowing a variation in the functional configuration of the chair. The piece is supplied with removable cushions for both seat and backrest:- seat cushion upholstered in blue fabric- backrest cushion upholstered in fabric with a floral pattern. The cushions are not structurally fixed to the metal frame. Dimensions: Width: 75 cm Depth: 77 cm Total height: 101 cm Condition: good overall condition, with normal signs of wear
