

Vintage Italian Floor Lamp In Hollywood Regency Style, Circa 1960s-1970s.

1 200 EUR

Period : 20th century

Condition : Bon état

Material : Wrought iron

Height : 150 cm

Description

Sculptural floor lamp designed as a flowering branch with three sunflower-shaped lights. Crafted from wrought iron and painted brass, featuring finely worked leaves and floral details. The organic silhouette and warm gilt and bronze tones give the piece a strong decorative presence. The lamp stands on a iron base and, due to its generous dimensions, functions as a true statement piece. Typical of Italian mid-century atelier production, combining craftsmanship with ornamental elegance.
