Description

Another piece from my personal collection that I've decided to sell... A rare Art Deco lamp from the Paul Fouillen workshop, made of wood with its painted lampshade. It's a good size, measuring 30 cm high x 20 cm x 11 cm. It's in used condition, with some paint loss on the lampshade and two tears (see photos). The collector will particularly appreciate the Bakelite and wood switch, as well as the metal and wood plug, probably also produced by the workshop!
