### Description

? Light, brilliance, and French craftsmanship????  
Exceptional crystal by Saint-Louis. This crystal vase from the prestigious Saint-Louis crystalworks, founded in 1586 and recognized as one of the oldest French manufacturers of art crystal, is an elegant and luminous decorative piece.???? Green overlay and refined cut. The decoration is created using overlay--a double-layered crystal technique where a layer of colored glass (here, green) is cut to reveal luminous facets. This type of Saint-Louis crystal is sought after for its chromatic depth and intense brilliance.???? A piece with a gentle presence on your table or shelf. With a height of 17 cm and an opening of 12 cm, this vase lends itself to a multitude of uses: delicately adorned with flowers as a bud vase or simply placed as a decorative
