Description

Set of 8 Restaurant Chairs in Wood and Straw - Circa 1900. A beautiful set of natural wood restaurant chairs, circa 1900. These chairs feature a robust structure, designed for intensive use, with slightly curved legs, a horizontal spindle back, and a high-quality woven straw seat. The set is distinguished by its simple and authentic lines, characteristic of French utilitarian furniture, combining sturdiness and rustic elegance. Ideal for a dining room, a period interior, a restaurant, or a bistro-style decorating project. Seat height: 47cm
