Description

Magnificent large antique still life painting, oil on linen canvas, signed L. Porte and dated 1888. The composition depicts a bouquet of chrysanthemums in shades of white, yellow, orange, and red, arranged in a brown vase on a blue tablecloth, accompanied by a notebook and a knife on the right. Naturalistic style. Painting only: 46 x 40.5 cm; frame: 59.5 x 51 x 3 cm. The canvas, clearly unvarnished, is in very good condition for its age with a few discreet signs of wear. The frame, made of wood and gilt stucco, has been restored in-house and completely repainted. The stucco is cracked but has been reinforced. Three old hanging brackets are present on the reverse; it is advisable to replace them for secure hanging. Approximately 2-3 kg.
