

Half-geode From Septaria, From An Old Collection

300 EUR

Period : 20th century

Condition : Très bon état

Material : Stone

Description

Half-geode from Septaria. Polished face.
Diameter: approx. 16.5 cm. From an American collection of the 1950s with original lion's paw feet and label on the back. A very decorative and interesting piece for a cabinet of curiosities. The base is slightly rusted in places.
