Description

Introducing this majestic early 20th-century desk. An extremely distinctive, discreet desk that can be used in a variety of settings thanks to its unique design. The desk is crafted from fine oak. Its most distinctive feature is the writing surface, which is revealed by simply opening the front with a roller mechanism. Once opened, you'll have a practical and elegant surface for writing or consulting documents, including two small drawers ideal for small items. The front features six additional drawers for storing your small everyday items. Additionally, two unique pull-out shelves, hidden beneath the top, can be used as additional storage space. Consider that the desk was designed to be placed in the center of a room, so you'll have great versatility when choosing its placement. This majestic desk can be used in any
