## Description

Beautiful vintage stoneware lamp from the 1950s/60s. This large lamp, 49 cm high without the shade, is in excellent condition and has its original wiring in very good working order (see photos). It features a lovely abstract design around the edge, hand-painted by the artist. A signature under the base is to be identified. This lamp is very rare, perhaps unique, elegant in its shape and highly original and decorative, diffusing a clear and very soft light. Its origin is Scandinavian, possibly Danish. Shipping is available within France and worldwide via secure, insured package with order tracking. Invoice and certificate provided. Collection is possible in person at Mas d'Avalrich, Montéscot 66200 (Tel: +33 6 11 14 25 33) or at my stand at the Montpellier Antiques Fair, held every two
