

Pair Of Vintage Murano Glass Eggs, Blown From A Cane, Circa 1950

100 EUR

Period : 20th century

Condition : Bon état

Material : Glass paste

Diameter : 5

Height : 6

Description

A lovely pair of vintage Murano glass eggs, hand-blown in multicolored shades of blue, red, orange, and white, circa 1950. Vibrant decoration with inclusion bubbles and variations typical of glassblowing. Height approximately 6 cm, diameter 5 cm. One has a small chip on the base, the other a slight surface tension from the manufacturing process. A beautiful display set, quite rare. Approximately 120g each.
