Elevation Of 91 Rue Lafayette In Paris - Architectural Drawing

385 EUR

Period : 19th century

Condition : Etat d'usage

Material : Paper

Width : 92

Height : 63

Description

Architectural pen drawing submitted for the façade design of the building located at 91 rue Lafayette. Executed in pen on four sheets of paper mounted on canvas board for reinforcement and folding. On the right are the signatures, preceded by the word "approved," of various individuals (clients or participating tradespeople). The building still exists and was built in 1890. A few stains and small tears are present in some corners.
