Description

Small walnut bookcase 19th century, Italy. Two-piece piece with a glass upper section and a lower section closed by doors. The upper section features three shelves mounted on ladders to adjust their height. Beneath is a single shelf in the center. In the center is a pull-out drawer for leaning on while consulting volumes. Restored and polished with shellac interiorly and exterior. The indicated width includes the upper frame. The maximum internal depth of the glass section is 33 cm, so it can also accommodate folders, making it ideal as an office filing cabinet. The height of the lower section is 78 cm. **BUY NOW**
