Description

This rare Jupiter armchair by Arketipo, designed by Mauro Lipparini, boasts a contemporary design with futuristic touches, blending comfort and style. The frame, crafted from light gray and beige-gray fiberglass, supports the seat. There are darker markings on the headrest. The chair is spacious and comfortable thanks to its cushions, backrest, and armrests, all upholstered in 100% goose down. Dimensions: Armchair: 93 cm x 90 cm x 47/96 cm (H). Ottoman: 70 cm x 43 cm x 60 cm (W x H x D).
