Description

A high-quality piece, both in terms of the linen used and the exquisitely fine embroidery, as well as two beautiful RB monograms. The embroidery, with its lovely relief, flowers with insets, and drawn thread work, embellishes the tablecloth wonderfully. The edge is highlighted with fine drawn thread work at a width of 4.5 cm. A bright white piece in very good condition, hand-embroidered (just three tiny, barely visible repairs and a few rust spots the size of a needle point). The linen is sound, with no wear. The tablecloth is even more beautiful in person than in the photos. Dimensions: 2.80 m x 1.75 m - drawn thread work at the edge: 4.5 cm wide. Antique linen, washed and ironed with the utmost care: ready for a new life... Shipping from France: EUR10.
