

Dagger With Twisted Handle, Renaissance Style, 16th Century - Circa 1850

230 EUR

Period : 19th century

Condition : Très bon état

Material : Other

Length : 44,5 totale

Width : 9,5

Depth : 3,5 environ

Description

Dagger with a twisted bronze hilt, in two sections separated by a central ring. Short, straight guard, also twisted, with symmetrical quillons in rosettes. Lobed discoid pommel. Narrow, double-edged blade, designed for thrusting, with decorative acid-etched central engraving (plant motifs and coats of arms). Minor oxidation - good condition. 19th-century work in the 16th-century style.
