### Description

A masterpiece of Tuscan cabinetmaking. Owning a piece of history means bringing the soul of a distant era into your home. This splendid 18th-century trestle table represents the excellence of Tuscan craftsmanship. Made entirely of solid walnut wood, it stands out for its solid structure and monumental proportions. Therefore, it is not just a piece of furniture, but an investment that gains value over time. Furthermore, the quality of the selected walnut wood guarantees a robustness that has defied centuries, keeping its prestige intact. Impeccable condition and authentic charm. The generous dimensions of 185x75x77 cm make it perfect for a dining room that demands character. In addition, the piece is in excellent general condition, a rare detail for objects of this age.

Above all, what makes it unique is its splendid original patina. Indeed, the surface tells its story through warm shades that only time can create. Consequently, it does not require any invasive restoration. On the contrary, it is ready to be the protagonist of your decor. Purchase security and guaranteed shipping. Certainly, logistics are fundamental when purchasing such a precious piece. For this reason, we ship worldwide via Fed-ex, UPS, and DHL with professional packaging and insurance. Likewise, shipping throughout Europe is to be agreed upon to offer you the best rate. Finally, we offer maximum payment flexibility: bank transfer, Visa, or Mastercard. In conclusion, choosing this table means choosing eternity. In fact, the beauty of the Tuscan 18th century will never go out of style. Thus, take advantage of this unique opportunity.
