Description

DescriptionThis abstract mixed media work by Manuel Bea Cervera presents a structured arrangement of geometric and organic forms on a dark ground. The surface combines layered pigment, textured material, and embedded organic fragments, creating areas of relief and contrast. Cobalt blue shapes punctuate the composition and are balanced by grey and earthy brown elements. A central vertical form anchors the composition, while repeated motifs along the lower section establish visual rhythm. Incised lines and gestural marks remain secondary to the material construction, emphasizing surface and structure over depth.ArtistManuel Bea Cervera (1934-1997) was a Spanish abstract artist.Artist DetailsBea Cervera worked primarily in abstraction, employing mixed media and textured
