Description

Oil on canvas. No apparent signature. The painting has undergone numerous old restorations; strips of stretcher bars have been glued to the reverse (probably to change the stretcher), and several pieces of canvas have been added to the reverse. Otherwise, the painting is in good condition, and the paint layer adheres very well to the canvas. A 19th-century academic study of a bare-chested man. The painting is of very high quality, executed with great power. Dimensions: 48.5 x 43.5 cm. Shipping: Secure packaging and delivery via Colissimo registered mail with insurance.
