Description

The Onda sofa produced by Zanotta, designed by Jonathan De Pas, Donato d'Urbino & Lomazzi

An elegant sofa with a wave shape, hence its name, in black leather and steel.

Designed by the renowned design trio De Pas, D'Urbino & Lomazzi in 1985.

Under the name DDL, the designers have collaborated in the industrial design sector since 1966.

Manufactured by Zanotta, a company founded by Aurelio Zanotta in 1954 and now one of the most representative brands of Italian design.

Torino 10147

The sofa is in good condition, with no structural defects and may have slight marks on the leather, as shown in the photos.

Ideal for those seeking a refined sofa that can also be used as a centerpiece.

Original label included.
