### Description

Modernist rosewood sideboard, wall-mounted, composed of three free-standing (but not interchangeable) cabinets. A 1960s edition, likely by Erwin Behr. The impression of suspension is accentuated by the proportions of the piece and the absence of any visible base, while the contrasting grain of the rosewood reinforces this visual effect. The piece has been carefully restored by our conservator. W 135.5 cm x D 53 cm x H 40 cm. Usable depth 46 cm. Small chip above the right-hand door (see photo).
