

Oak Draper's Table With Antique Paint

1 400 EUR

Period : 19th century

Condition : Bon état

Material : Oak

Length : 179cm

Height : 83cm

Depth : 49cm

Description

A draper's table in oak with old paint; the paint has completely disappeared from the top surface, while it is still partially present on the base and lower shelf. There is a small drawer in one of the friezes beneath the tabletop. It has been thoroughly cleaned and is ready to be used as a console or center table.
