### Description

Pair of Crystal and Sterling Silver Toilet Bottles - Maison Augier, Paris. A very elegant pair of cut crystal toilet bottles, slightly faceted, adorned with finely chased sterling silver mounts and stoppers. The mounts are hallmarked with the French Minerva first standard mark (950/1000) and signed by the prestigious Augier, Paris, a firm renowned for the quality of its silverware in the late 19th and early 20th centuries. The high-quality crystal features a regular cut design and a star-shaped base, lending the bottles great elegance and a beautiful catching of the light. The richly molded silver stoppers, decorated with foliate friezes, harmoniously complement these bottles intended for refined grooming. The set is in very good condition, with a natural patina on the silver, and no chips or cracks in the crystal.
