Description

A charming snow painting in the mountains, this small, high-quality work is signed lower left and on the back "Bargaroles." A lovely, well-executed painting with a frosty atmosphere in a mountain landscape depicting a hamlet frozen by snow, with the high Pyrenees mountains in the background. An instinctive and skillful piece, light and texture combine in a simple yet effective style; the effect is striking, and this beautiful sketch in its original linen-bordered frame has everything to charm, that of a truly captivating decorative painting, a window onto the snow-covered mountains...
