Description

Burgundy leather toiletry case dating from the 1930s-1940s. The interior is removable and transforms into a vanity case or small suitcase. It still has its original canvas case, which needs some stitching. The crystal jars have their original 925 sterling silver lids and bear the Gucci mark. The brushes also bear the Gucci mark*. The rectangular box is broken, and the two bottles are not original. No key. Shipping available via Chronopost: France EUR40Europe EUR80Other EUR140 *Founded in 1921 with the opening of a boutique in a Florence alley, the House of Gucci has since become a symbol of global renown, embodying Italian craftsmanship, visionary creativity, and innovative design. Reflecting and defining the decades that shaped it, the House's history has indelibly influenced fashion and
