

## Geometric Anatolian Kilim Textile

350 EUR

Period : 20th century

Condition : Bon état

Material : Wool

Width : 113

Height : 153

### Description

**Description**This vintage hand-woven kilim textile features a symmetrical geometric composition built around stacked diamond medallions and stepped zigzag motifs, characteristic of Anatolian flatweave traditions. Executed in wool, the surface displays a restrained yet warm palette of terracotta, muted orange, soft grey, ochre, and faded red tones, achieved through naturally aged dyes.  
**Artist**Artist unknown; produced by an Anatolian workshop, likely 20th century.  
**Artist Details**The kilim reflects traditional Anatolian weaving practices, typically carried out by rural artisans using hand-spun wool and flatweave techniques. Designs were often passed down through generations, with motifs carrying regional and symbolic meaning rather than individual authorship.  
**Movements**Anatolian Folk
