

Louis XVI Style Stool In Painted Wood And Leather

380 EUR

Period : 19th century

Condition : Très bon état

Material : Painted wood

Diameter : 41cm

Height : 46cm

Description

A round Louis XVI style stool. Resting on four fluted, tapered legs, it retains its original patinated paint in shades of green. The carved apron is decorated with small flowers. The seat is upholstered in black leather with a decorative border. In very good overall condition, having undergone no restoration, the leather is neither torn nor scratched!
