Description

Exceptional pair of monumental Art Nouveau ceramic vases, 93 cm high, signed Delphin Massier - Vallauris (A.M.). Featuring an outstanding high-relief floral decoration with hollyhock blossoms, modeled in thick, painterly impasto in the spirit of Impressionism. The rare monumental scale, highly complex to produce due to firing constraints and heavy relief, makes this pair particularly sought after. Large-format Massier vases of this size were produced in limited numbers and are rarely found today, especially as a perfectly matching pair. A striking and authentic Art Nouveau decorative statement, in remarkably fine condition for ceramics of this scale and period.
