Wall-mounted Holy Water Font In Gilt Bronze On Velvet

450 EUR

Period : 20th century

Condition : Très bon état

Description

Wall-mounted holy water font consisting of a shaped wooden base covered in blue black velvet, upon which is fixed a decorative gilt bronze ensemble. The upper section features a cross with a sculpted figure of Christ. Below, a sculpted figure of a child or cherub is depicted standing on a skull, holding a basket against it. The lower section consists of a basin and a lid in the shape of Saint James, designed to hold the water.
