

## Standing Lead Nude Figure With Brown Patina On A Wooden Base

170 EUR

Period : 20th century

Condition : Bon état

Material : Lead

Width : 4.5

Height : 20

Depth : 4.5

### Description

A lead sculpture depicting a softly proportioned female nude, rendered in a refined style that evokes both primitive art and certain modern explorations of the 20th century. The lead has a dark, matte patina with natural nuances resulting from oxidation and age. An illegible signature is present on the back, as well as a note under the base. Weight: 1.7 kg
