Description

Louis Philippe period secretary desk - with a curved top - in walnut - 19th century. Superb antique walnut secretary desk with authentic charm and a beautiful original patina. This piece combines elegance and functionality, with ample storage and a drop-front that creates a writing surface. It comprises several spacious drawers, practical interior compartments for storage, and a covered writing surface (see photos). The original hardware adds considerable character to the piece. Solid, stable, and in good overall condition for its age. Visible signs of age contribute to its vintage charm. Dimensions: Height: 145 cm Width: 101 cm Depth: 50 cm. Ideal for a period, country chic, or flea market-style interior.
