## Description

Poul Cadevus "Royal System" Bookcase - Rio Rosewood. This exceptional wall-mounted bookcase, part of Poul Cadevus's Royal System, is crafted from Rio rosewood, a noble wood with deep, warm grain, emblematic of 1960s Scandinavian design. Composed of five 80 cm modules, this bookcase has a total width of 400 cm and a height of 220 cm, offering an architectural composition that is both graphic and functional. The shelves, niches, and storage elements are elegantly arranged, allowing for great flexibility and perfectly showcasing the displayed objects, books, or artwork. The entire piece has been fully restored in our workshops, respecting traditional techniques: - cleaning and refinishing the veneer, - meticulous repairs, - French polishing, providing unparalleled depth
