Description

This early 20th-century painting depicts the Loire River at Vivier in the Loir-et-Cher region. We have not identified the signature, but the brushwork is good. Finely executed, the work is presented unprepared and unrestored. Note that the cardboard is slightly warped and there are small stains in places. Our photos allow you to appreciate the quality of the work. For condition details, please examine the photos carefully. Do not hesitate to zoom in. The photos are an integral part of the description.
