

## Soldier's Knife

80 EUR

Period : 20th century

Condition : Très bon état

Material : Other

Length : 21,7

### Description

Classic knife with a steel blade and a handle with two leather and wood scales riveted to rosettes. These are possibly the knives urgently ordered by the French army to equip soldiers with a more manageable weapon than the bayonet in trench warfare. Early 20th century. In very worn condition and one rosette is missing. Overall length 21.7 cm, blade length 11 cm
