

Double Sake Flask, Japanese Ceramic From Iga, Stoneware, 20th Century Craftsmanship

250 EUR

Period : 20th century

Condition : Très bon état

Material : Sandstone

Diameter : 10

Height : 16

Description

Rare, collectible item. Small double flask, sake carafe, in handcrafted Japanese Iga ceramic, sand-orange glaze with a nuanced pale green ash finish, some pyrite inclusions. Vintage or antique, 20th century. Unsigned. The double flask consists of two globes, a larger one at the base, a smaller one on top, and a short, round neck. 16.5-17 cm high, 10-10.5 cm maximum diameter. Very good overall condition, one small chip on the neck, 9 mm long, and another smaller one, 5 mm, very discreet, gray-green, old. Approximately 500-600 g.
