

19th-century Herbarium In An Antique Frame

1 350 EUR

Period : 19th century

Condition : Très bon état

Width : cadre 102 cm

Height : cadre 121 cm

Description

A superb and elegant composition of nine herbarium sheets from the early 20th century. Each sheet features various leaves and flowers with their names indicated. The set is presented under glass in a patinated 19th-century wooden frame. A high-quality piece in good condition and very decorative.
