### Description

Pair of Walnut Corner Cabinets - Emilia, 19th Century  
Period: 19th century  
Material: walnut  
Dimensions: 158 × 46 × 46 cm (diagonal 45 cm)  
Description: Refined pair of 19th-century walnut corner cabinets of Emilian production, characterized by a slender and elegant structure and by an exceptional openwork carving. The sides and panels are enriched with finely pierced carvings featuring vegetal motifs and scrolls, executed with great craftsmanship, creating a delicate interplay of solids and voids that lends visual lightness to the whole. The shaped shelves follow the diagonal line harmoniously, enhancing the corner function of the furniture while making it both decorative and functional. The warm, well-preserved walnut patina highlights the quality of the wood and the refinement of the
